2 February 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 2 February 1967

DD/I reported that Bruce Clarke has been in contact with Admiral Bardshar concerning the DOD-directed study (code-named NIGHTSONG) on North Vietnam's air defense. DD/I feels that we have an interest in the study and should become involved. He and the A-DD/S&T had agreed that OSA will be the contact point for the study group.

25X1

Godfrey noted that the Indians downed a Pakistani aircraft which strayed across the border.

Godfrey tabled a memorandum on the implications of the Algerian arms build-up [REDACTED]

25X1

[REDACTED] He suggested distribution, and the Director agreed.

Kent noted what he described as a 30 percent chance that Tom Hughes will ask for a SNIE at this morning's USIB meeting on the implications to U. S. policy of not filling Haile Selassie's shopping list. He does not consider this to be an intelligence matter. (See Action 1)

DD/S briefed the Director on the results of an enemy mortar attack against the airfield at Luang Prabang.

25X1

DD/S announced that this year's summer-only employment program will be operated the same as last year's and will be announced shortly.

George Allen for Carver noted that he will be briefing PFIAB this morning. The Director asked that he limit his presentation on the North Vietnamese position for talks to the exact language of the recent editorial and that he include a full account of the Agency's contribution to the development of new procedures for evaluating the pacification program.

X1 [ ] for Warner informed the Director that Representative Bates was pleased that Representative Halleck has been added to the subcommittee. This raises the total to twelve members.

X1 [ ] noted that Senator Gore announced on the floor the agenda for his Disarmament Subcommittee hearings as the sale of conventional arms, nuclear weapons, and prospects for a nonproliferation treaty. In response to a question the DD/I said that the Director's material for his briefing before the Subcommittee will be ready by noon today.

Houston briefed the Director on a White House-sponsored bill on wire tapping which is going to Congress this morning. He reviewed the protective reservations for the Agency yesterday and will check with Ramsey Clark this morning on whether they were accepted. The Director asked Houston to keep him informed.

[ ] 25X1  
Bross said that Parrott met with Walt Rostow yesterday and will brief the Director.

DD/P informed the Director that General Taylor at CINCPAC had indicated that progress on intelligence collection on Vietnam is satisfactory.

X1 As the result of a meeting with [ ] yesterday, the Executive Director asked that Agency papers going to DOD be thoroughly staffed and that [ ] be brought in on the actions as early as possible and kept informed. 25X1

[ ] 25X1  
DDCI called attention to the necessity in personnel matters of informing individuals as early as possible of shortcomings in performance and of making this a matter of record.
